childrensbooksinprint.com

For K through High School...

This one-of-a-kind online database of titles and book industry information focuses solely on reading and educational/textbook materials for the children's and young-adult market. Limit title search to the universe of appropriate material.

A special **Children's Room** features many useful links to fun educational sites for children. Quickly link to puzzle sites, reading sites, and much more. Search more than 5,000 subject categories of more than 200,000 titles from some 12,000 publishers and 175,000 contributors. Search subjects such as "Friendship" and "Bears," as well as "Vocabulary" and "Language Arts."

Easy-to-use functionality:

- ▶ Link from title information to search local library catalogs through Bowker's **Hooks to Holdings™** feature. OCLC's **Worldcat** linking is also available to their subscribers.
- ▶ Quickly communicate a wish list, class list, or topical search results without re-keying—download, print, and e-mail **Lists** of titles with full or brief details to save or share with colleagues.

Free Homepage Bonus! Great links to reading and educational sites that open up the world of reading for kids!

You can:

- ▶ Connect to author, children's, and educational websites
- ▶ Find helpful reading-related projects for kids of all ages
- ▶ Help parents & children find new learning tools to use at home

The screenshot shows the homepage of childrensbooksinprint.com. At the top, there's a navigation bar with links for HOME, MY ACCOUNT, LISTS, HELP, and LOGIN. Below that is a search bar and a 'Bowker's Children's Room' logo. The main content area is divided into several sections: 'Whimsical Words' with a quote about Dorothy's slipper, 'FAVORITE SERIES' featuring the Hardy Boys, 'A TO ZOO™' with a book review, 'KID'S CORNER' with a 'Yoda's Corner' link, and 'YOUNG READERS' with a book review. On the right side, there's a search panel with filters for format (Book, Audio, Video), author (In-text, Out-of-text, Posthumous), publication year, price range, age range, and subject categories. At the bottom, there's a 'Fun Places to Visit!' section with a list of educational websites.

- 1. **Big Chalk.com:** Too much homework? Go here for help with homework at this site with over 150,000 research links and multiple search engines, chat rooms, and a bulletin board. Click [here](#) to GO!
